Dear Grade 4 Families,

We hope this message finds you well and gearing up for a wonderful vacation. As you are aware, we are beginning the one-to-one iPad implementation for Grade 4 students on January 2, 2017. A letter was sent from Mr. Stuart Walker on October 31. As a reminder, the letter can be found by [clicking here](#). The specifications for the iPad can also be found at the close of this link.

As communicated in this letter, students will be required to have specified apps downloaded to their iPads before bringing it to school. These apps are listed below.

Additionally, we would like to remind our families of the Digital Citizenship & Acceptable Use Policy that can be found in our Family-Student Handbook at [this link](#) on page 36. Please note that students need to bring their iPad to school each day, fully charged and ready to go.

Apps for Grade 4: Please have these downloaded on your child's iPad.
